Personal Use Items All Years 2020

The Bridgetown High School Council has endorsed the list below as being personal items under section 108 of the School Education Act 1999.

Your child will need to have the following items in his/her possession each school day in order to maximise participation in the learning opportunities/activities presented.

The quantities indicated are estimates of the amount parents might expect their child to use/consume during the course of the year. PLEASE NOTE: there is NO requirement for students to bring all their requirements on the first day of school.

As consumption will vary from student to student, parents are asked to ensure their child has the recommended number of items throughout the year.
