Subject Charges for extra cost options

Students will be able to access all subjects at no charge. HOWEVER, if a student wishes to make a particular item in metalwork or woodwork (FOR EXAMPLE) using materials which are more expensive and not provided by the school, then he/she may do so IF he/she pays for the extra cost materials.

Refund of Contributions and Charges

When a student transfers to another school, arrangements will be made to forward a pro-rata portion of their ‘contributions’ to their new school. Alternatively, a refund can be arranged. The refunded amount will be based on a rate determined by the Department of Education and Training and approved by the School Council.
Extra Cost Optional Activities

CHARGES FOR OPTIONAL ACTIVITIES THROUGHOUT THE YEAR:
Charges apply for the provision of extra cost optional activities that are part of an education program and which voluntary contributions do not cover. All activities outlined below are optional and only require payment if your child participates in this activity.

All 2020 extra cost optional activities have been approved by the School Council. The estimated costs provided are at an upper limit and will not exceed this amount. If a particular event does not transpire within the school year, no charges for that event will apply.

Payment of the following charges is not required at the time of finalising payment of ‘voluntary contributions’.
