The Great 10c House Race

The race hots up! **FIRE** remains in the lead but **SUN** is literally only FIVE containers behind, and **ICE** is still in it, too. **Any** faction can take the winning spot with a little effort during the rest of this term!

And remember: every ten containers is an extra point for your House.

2026 members needed

Vital P&C members are moving on and we need **you** to step up to continue the good work for all our kids. Our final annual event is catering breakfast for the Blues school oval campers - it's a good chance to ease in :)

Our last 2025 meeting is **Wed 3 Dec** - join us at the **Freemasons** 5.30-6.30pm!
